May 1, 2019

Dear People of Palma,

Wow - that was fast! One could say that about the recent Easter break or, in a more general way, of the current school year as here we are with but thirteen class days remaining until the start of the semester exams on Tuesday, May 21st. So little time remaining yet so much to get accomplished. In a thumbnail, that is one of the lessons of life each of us will meet along the way. The upcoming two weeks of classes have even fewer days of actual in-class time for some due to various school-approved exemptions due to class trips, Capstone projects, etc. Hang on as the month of May, the greatest month of the year in my humble opinion, is about to arrive and exit in quick fashion.

As I referenced above, the week-plus of time away over the Easter break, during Holy Week, flew by. I know how much each of us values time away, with family and/or friends, over this holiday, this holy day. That’s what I find to be so amazing each Easter season, when Palma folks, this year as a Chieftain army 65 strong with 39 students, on their Easter break, on their own precious time, traveled to Terrazas 2, near Tijuana, Baja California, to build a home, a nice home, for a deserving family as a gift to those who have so little. Words are difficult to find that accurately describe such generosity, such giving from the Palma folks. I am sure the Founder of the Christian Brothers, Blessed Edmund Rice, would be extremely proud knowing students from one of his schools are so generous and so giving to others in need. Well done, Chieftains!

As mentioned in the recent Palma Newsletters, the annual “on-line auction” of the best graduation seats in Sherwood Hall for our Class of 2019 seniors will commence at sun-up on Monday, May 6th, and will be brought to closure with sun-down on Friday, May 17th. Graduation this year is set for Sunday, May 26th, at 11:00 A.M. If you are in a position to engage in this on-line auction of fourteen seats in the 3rd row, middle section, of the best seats in the house, please do so as all proceeds realized from this endeavor will benefit Palma’s endowment scholarship fund. I do promise to keep all bidders up-to-date and aware of the most recent bid.

While this is a fun time of the year for lots of young men as they bring their secondary educational endeavors to a close, it is also a time for reflection on what has been learned and earned while on this campus. Some truly remarkable young men will be joining the ranks of Palma’s Alumni as they move onto college and beyond. With each diploma I sign, I reflect on the talents of the graduate and what his contributions, in my eyes, he has made while traversing this campus and beyond. I know some of our parents who have done much to help advance the Palma cause will no longer have a son attending Palma - graduates and their parents will be missed; graduates and their parents will be leaving Palma better than when they first arrived. I thank each for your engagement and contributions.

The arrival of steady sunshine makes life easier as our days get nicer with each passing day in this beautiful month of May. I, and you, have much for which to be thankful. Congratulations to the Class of 2019!

Sincerely,

Brother Patrick D. Dunne, C.F.C.

Dear Class of 2019,

Palma is blessed to celebrate two graduations for the Class of 2019 — for both our 8th grade students and our seniors. I would like to dedicate this letter to them.

Graduates, this is a most important juncture in your life. For all of you, graduation is both an end and a beginning. As you move from the current year to the next, some of you are excited, some are anxious, others are nostalgic, still others may be thinking, “It’s about time, thank God!” I am certain we might find a teacher or two who would agree with you!

In one way or another, however, some day in your future — if not already — ALL of you will truly miss this hallowed campus. It is here where you have learned to share and to pray, to study and to achieve. It is here where you have earned life-long friendships and have learned forgiveness because it is here where so many of you received it from others. My hope and prayer for you is that you have learned that you are a gift to all of us, and that you are LOVED! Now for some of you, at times, particularly for those of you who have challenged that love, you may have received it back in some of its toughest forms. If you’ve ever had to sit in my office awaiting reproach, you may have even questioned that love. But you are loved. Don’t forget that!

The greatest challenge of teaching is to show love, a love that is unconditional, forgiving and sincere, and a love that is balanced by the need to insure consequences as a result of choices, both good and bad. It is my genuine hope that you have learned to love and be loved during your time here at Palma. Effective teaching requires the ultimate gift of self to students every day. Such teachers know that few students will never be able to show enough gratitude for that, but they love you anyway.

Parents of the graduates: you have sacrificed, volunteered your time, and invested your family, your entire selves into your son’s education here at Palma. And this is how it should be. Your children deserve it. They deserve to be loved. I congratulate you and encourage you in this noblest of life’s endeavors.

Graduates: whether you have been here for 6 years or 2 years, or any amount of time in between, it is no mistake that you have been here. I genuinely believe God has handpicked you to be here and in this very time in history. You have been chosen! You are special! And so . . . class of 2019, allow me to congratulate you. And permit me, if you will, to offer you this humble advice: don’t forget who you have become here at Palma. Life will offer you its best dreams and its hardest trials, but through all these experiences I pray you will remember to be men of character who love confidently, with the confidence that you are loved!

God bless you. Go Chieftains!

Yours in Blessed Edmund Rice,

David J. Sullivan

Once again, teachers will proctor their own finals, and with few exceptions, students will take exams in the room where the class is usually held. Also as in the fall semester, students are required to stay for a minimum of one hour but have nearly two hours to complete the exam, and there will be no exam-permit cards. Please note that the arrangement of the periods has been adjusted somewhat, not running sequentially. Also please note that the period 8 exam is scheduled for Monday, May 20. That day, the last full day of classes, is a PM Assembly schedule with forty-minute periods; period 7 ends at 1:13, at which time students who do not have a period 8 class may leave for the day. Period 8 will then run for the time listed, ending at approximately the same time as it would on a regular school day. In this way, the period 8 final will not need to be split over two class days, as it was in December.

Another important detail is that seniors do not sit for final exams during these days. As explained in a separate email to the families of seniors, those students will have taken their finals during class before Friday, May 10, the last day of classes for seniors. During the designated exam days, seniors will be giving their Capstone presentations. Likewise, AP students will have taken a final exam at teacher-determined times before the AP exams and will not have finals in those classes during exam week.

Please remember that if a student does not have an exam during a given period, he is not expected to be on campus. In addition to the senior classes and AP classes mentioned already, that includes PE, art, and music classes. Parents should review their son’s schedule to know when he will be taking his exams. Teachers will also make the final exam schedule clear to students in class and will post times on homework pages. A number of common areas will be open and supervised for those who wish to remain on campus to study between exams.

There will be a makeup block for missed exams on Thursday afternoon from 12:30 to 2:20; individual teachers can also administer makeup exams earlier as per teacher and student availability, particularly if a student has a free exam block.

The Cislini Study Center will be open on May 20, 21, and 22 from 7:30 to 1:00. The cafeteria will provide a la carte items for purchase on Tuesday, and tacos sold by the Blessed Edmund Rice Society will be available on Wednesday and Thursday.

Those with questions about the exam schedule are invited to contact me at 422-6391 or at viarengo@palmaschool.org.

Sincerely,

Mr. Rob Viarengo
Vice Principal
D’s IN COLLEGE PREP COURSES JUST WON’T CUT IT!

Four-year colleges and universities will only accept grades of “C” or better to meet college prep course requirements for admission. If your son is planning to attend a four-year college, he must make-up any deficiencies prior to graduation. Students taking summer school courses to make-up D’s and F’s are reminded that passing a 5 credit course during summer school will only replace one 5 credit semester grade (not the entire year). In other words, a student failing both semesters of Algebra would need to register for (and pass) 10 credits of Algebra prior to graduation. Also, remember that colleges require that incoming freshman have completed at least two years of the same foreign language. This means that a student who completed one year of Latin and one year of Spanish has not met that requirement. The CSU and the University of CA require completion of one year (10 credits) of a visual or performing art prior to graduation. Palma students now have a number of options for accomplishing this requirement.

SCHOLARSHIPS AND FINANCIAL AID

One more reminder – scholarships are still available out there, and many of our students are highly competitive. Scholarships come in many forms and sizes. Not all scholarships are based solely on grades and/or financial need. The Guidance Office posts information on all scholarships we receive in Naviance. Many students may not be aware that they are eligible to apply for scholarships. Scholarships can be based on a wide range of criteria including academics, athletics, leadership, career interests, writing skills, ethnic background, religious affiliation, or any combination of the preceding. One can also use the internet to check out some of the outstanding FREE scholarship search sites like www.fastweb.com. This and other financial aid and college related links are indexed on the home page of your Naviance Family Connection account at http://connection.naviance.com/palma.

TIPS FOR STUDENT ATHLETES

When it comes to athletic scholarships and college sports recruiting, it is important for you to become familiar with the rules and regulations surrounding the various college associations, conferences, and divisions. Violation of the rules, even while still in high school, can result in ineligibility in your future athletic career. Your first task should be to determine to which associations (NCAA, NJCAA, etc.) your prospective colleges and universities belong, and then carefully review those group’s websites.

COUNSELORS ARE NOT AVAILABLE DURING SUMMER VACATION

High School Counselors will be available through Friday May 31, 2019 to answer any questions you may have regarding your son’s classes and grades. They will be on summer vacation after May 31st. Once again, if your son has failed any classes or earned any D’s he must retake that course over the summer. Colleges do not accept grades lower than a C-.

We’re interested in assembling a ground-breaking team to create a great experience for your son. Team members can be Palma parents, grandparents, aunts/uncles, older brother(s). This event will be planned for the 2019/20 school year. We also NEED YOUR IDEAS on how to make this Father/Son event memorable year-after-year for your favorite Chieftain—-a Sports Night? A tailgate party? Dad and donuts? Drop us a line at: parentsclub@gopalma.org.

Other PPC upcoming activities:

Senior Brunch - Friday, May 24th

Special thanks to Lisa Silacci for her continued dedication to this event.

Staff Luncheon - Tuesday, May 28th
It’s a well earned “time out” for our teachers--Parents’ Club hosts this appreciation luncheon buffet. Share your praise for those on the “front line” and behind the scenes who work nonstop all school year to model and mentor our young men. Special thanks to Stephanie Scattini and Margaret Scattini for their continued dedication to this event.

Starting Tuesday, February 26, Mr. Cunha, Palma’s Director of Technology will be in his office from 2:30 to 3:30 for tech questions and help. On “Tech Tuesdays”, Palma students and parents are welcome to drop in and get their tech questions answered. His office is next to the computer lab in building E1.
